

3 Read and learn. 读下文，了解手机的常用功能。🎧

Mobile phones are very useful. We can use them to make phone calls and send short messages. We can also use them to take photos, make videos, listen to music and read e-books. Today, more and more people are using mobile phones. We believe that in the future mobile phones will become even more powerful and make our life much easier.

4 Discuss and list. 讨论，列出你们经常用手机做什么。

I use my mobile phone to:

make phone calls
send short messages
...

take photos
make videos
...

Tips:

e-book: electronic book, 电子书。此类搭配已很常见，如e-product, e-life, e-dictionary。
